

Paint your zodiac sign during an astrological aperitif in Venice

Venice · Veneto

- Duration: 2 h
- Art, Painting
- Up to 8 people per booking
- Free cancellation up to 48 hours before

A theme to start with, a sign to interpret, and a canvas on which to give shape to something personal. This experience combines painting and symbolism, in an atmosphere that invites experimentation without taking oneself too seriously.

Guided by a painter, you will choose the zodiac sign you want to represent and begin working on your canvas. You can follow a model or freely re-interpret it, adding details and colours that feel most personal to you. Meanwhile, the environment remains informal and convivial, with chatter and shared moments.

During the evening, the symbol becomes a starting point for expressing yourself, transforming an idea into something visual and personal.
